By broadcasting the biggest names in talk radio from two separate FM stations and taking advantage of their adjacent coverage areas, we are now able to offer the Tri-State's only 24 hour talk radio FM network. Common ownership by Cameron Broadcasting has made it possible to join together the forces of KAAA FM 98.3 and KZZZ FM 93.3 to form **All Talk From A to Z**. From Searchlight to Needles, from Kingman to Laughlin, from Bullhead to Topock, you'll never be more than a push of a button away from the All Talk Network.

Glenn Beck headlines our weekday mornings for 3 hours. Then, in addition to our regular names like Clay Travis & Buck Sexton, Markley, Van Camp and Robbins, and Mike Gallagher, we also have The Dan Patrick Show where he interviews the top personalities in the world of sports in his trademark wry, irreverent style. Listeners will be kept up-to-speed on the day's latest events with our award-winning local news as well as world news provided by Fox News. It's the Tri-State's ONLY talk and information network and.....everyone is listening!

And in addition to our popular syndicated programming, our local programming is scheduled Wednesdays from 3:00 - 4:00pm (AZ time Summer) with Dr. Larry Schiff, and more! The weekend lineup is filled with The Best Of Shows but in addition, we have added Handel On The Law a bold, entertaining and addictive legal advice format, and Kim Komando, the nation's digital expert every Saturday morning.

It's not only the talk of the town, it's the talk of the Tri-State area - and now in FM in addition to our AM signals!

## There's Nothing Like Fox National News!

Almost every client knows, there's nothing like the news for advertising. Why? Because it's an information-based broadcast and people tune in and pay attention to news. Placing your advertising within the news just makes sense. KAAA 98.3 fm and KZZZ 93.3 fm is the Tri-State's only FM news and talk network with Fox News Radio's national news at the top of every hour Monday through Friday. We make it easy and affordable to sponsor our news in conjunction with your other advertising on radio. Here are the available packages.
